Belonging to a Church in Transition

The Soul Matters theme for September is ‘Belonging.’ This seems a particularly appropriate theme for us at All Souls as we’re finally able to re-gather in our building and really consider the many changes we’re undergoing. Rev. Dr. John T. Morehouse, the senior minister at the Unitarian Church of Westport Conn, wrote a thoughtful sermon, “Whose Are We,” exploring the concept of belonging from many angles. This sermon will form the basis of our service on Sunday.

This Sunday’s Activities Will Be In-Person in the Eaton Social Hall
Zooming will be available to watch only. <https://us02web.zoom.us/j/89601231307>
At this time a participatory hybrid service is too complicated.

Your Presence Makes All the Difference at All Souls
We miss you when you are away and
we feel enlivened by your return.

YouTube Channel

Zoom services produced by our congregation are recorded and placed on our You Tube channel for two months. Copyrighted material for which we don't have permission is cut out, as are elements of the services which may involve sharing of private information.

Phone Tree

The default method of notifying the congregation of cancellations is to put the information on the website and email it out. However, some people would like to also be called on the phone. Rather than trying to call absolutely everyone, we are putting together a list of just those who prefer to be notified by phone. If that's you, then either reply to this email or call 315-921-1162

Collector's Note

From my count, we had our 115th zoom on August 21. Now we can relearn how to worship with other bodies nearby.

We again were over twenty in number in person on Sunday Sept 18. The cash for our Generosity Project was just \$50, and four pledgers had mailed in or brought in person a total of \$500, so the deposit to our credit union this week was for \$550. Thanks for all your support. See you next Sunday.
