The Spiritual Value of Trees

Trees have religious significance in many cultures. They give us so much materially, but they also provide such perfect metaphors and lessons in so many ways. The sight of them can awe, being among them soothes, and they mark time as lifelong companions, their presences in our lives changing as our lives change. Bring a piece or token of a favorite tree or favorite type of tree and tell us about its importance and value to you.

This Sunday's Activities Will Be In-Person in the Eaton Social Hall
Zooming will be available to watch only. <https://us02web.zoom.us/j/89601231307>
At this time a participatory hybrid service is too complicated.

Your Presence Makes All the Difference at All Souls
We miss you when you are away and
we feel enlivened by your return.

YouTube Channel

Zoom services produced by our congregation are recorded and placed on our You Tube channel for two months. Copyrighted material for which we don't have permission is cut out, as are elements of the services which may involve sharing of private information.

Phone Tree

The default method of notifying the congregation of cancellations is to put the information on the website and email it out. However, some people would like to also be called on the phone. Rather than trying to call absolutely everyone, we are putting together a list of just those who prefer to be notified by phone. If that's you, then either reply to this email or call 315-921-1162

Children's Program Meeting

The Membership and Activities committee is putting together a plan for how to resume Children's Programming now that we see the light at the end of the tunnel regarding full access to the church building. All involved or interested are invited to meet at the church on October 9th. We're shooting for noon, about half an hour after the worship service. We'll see what room or area is available to meet in on the day of the meeting. Childcare will be available during the service.

October Road Cleanup:

The Adopt-a-Highway cleanup will be held on Saturday, October 15 (weather permitting - only extreme conditions will prevent us from our quest!) Our route is from the church to Route 12 by Ron's Automotive. We provide orange vests, trash bags and gloves and we have a few hard hats. Please wear work clothes and sturdy footwear, and if you have a hand tool (like a picker-upper), feel free to bring it along. You can email Sarah at doon45@aol.com to let me know if you are participating. If we have enough participants, we can usually get it done in an hour. Maybe there will be opportunities for a little kitchen cleaning by that time too!

Collector's Note

Thanks for your support! We met again in person on Sunday Sept 25, so I took the weekly deposit to our credit union the next day. The deposit total was \$2401.00, which breaks down as. \$290 from two families who had done pledge cards earlier, plus \$61 of cash for our Generosity Project (for dividing between our expenses and the needs of two other local charities), plus \$2050 from two other families who kindly donate without signing pledge cards.

I began this weekly note after the flood made it impossible to do the usual collection of mail from our congregation's building. Robert and perhaps others are stepping in to resume office hours in our building, and the most recent period of forwarding mail to Eleanor's and my home is scheduled to end this week, so I guess that we will resume these reports in the monthly newsletter...unless many of you object, and enclose donations.

Hope to see even more others in full 3-D in our building. Thanks! -Warren
