Not Written in Stone

Rev. David Weissbard

Many years ago, I used a sabbatical to research and write a manuscript about the usefulness of the Ten Commandments as a guide to ethical living. I, of course, did not suggest they were an immutable set of laws, but were open to interpretation as a guide. Sunday I'll be sharing a summary of how I believe we could find value in what UU's have been accused, not wrongly, of calling "The Ten Suggestions."

Remote participation by Zoom will be available at <https://us02web.zoom.us/j/82315944436>

Your Presence Makes All the Difference at All Souls
We miss you when you are away and
we feel enlivened by your return

Urban Mission Foodbank

There's always a container at the back of the sanctuary for food donations for the Urban Mission. They desperately need food donations (non-perishable) at this time. All Souls consolidates small donations and once the box is full someone will take it over to the Mission. Please bring a little something each time you come.

Possible Fiber Arts Group

"There has been an interest in those who work with Fiber Arts in forming a monthly group. What is Fiber Arts? Fiber Arts involves using natural and synthetic fibers, like yarns and threads, to create a wide range of items. If you knit, crochet, spin, weave, latch hook, needle felt, tatt, or any other similar craft, and are interested in a monthly get together contact Kat at 315-955-4577. If there's no answer, be sure to leave a message."

YouTube Channel

Services produced by our congregation (including audience pans) are recorded and placed on our You Tube channel for two months. Copyrighted material for which we don't have permission is cut out, as are elements of the services which may involve sharing of private information.

Phone Tree

The default method of notifying the congregation of cancellations is to put the information on the website and email it out. However, some people would like to also be called on the phone. Rather than trying to call absolutely everyone, we are putting together a list of just those who prefer to be notified by phone.

If that's you, then either reply to this email or call 315-921-1162

Game Night

For about a year we've been getting together for a game night in the Social Hall. We're doing this third Fridays at 5 PM. Participation has been dominated by repeat-attendees, with from 4 to 12 individuals participating during the 2 hours (except that one time). There have long been a bunch of board games in the RE Wing going to waste. We currently have complete sets of many games we haven't tried yet, but we don't usually rely on the library of games. What usually happens is that somebody brings a totally new game, offers to teach how to play it, and people go to the table that is playing the game they are most interested in.

There will be pizza and please feel free to bring other junk food and/or games of your own. **Be there on Friday February 16th at 5 PM, bring a game, bring the family.**
